

Thank You Lord

1/1

Chorus

Thank you Lord, thank you Lord
Thank you Lord, thank you Lord

For life and health and family
For work and rest and fellowship
And the cross which took away
All my sin and my shame

Chorus

For love, and hope of eternity
For the Word- the truth for humanity
And the cross that pardoned me
And set me free, set me free

Chorus twice

Thank you Lord, thank you Lord
